No review data in Sellerise

Sellerise returned no review records, rating trend or negative reviews for the 15 SuperMush products over the last 90 days.

That means the review tracker isn't pulling for this account, not that there were no reviews.

Recommendation

Turn on review tracking for SuperMush in Sellerise (or pull Amazon's Customer Reviews report) so the deck can show ratings per product.

Sellerise flagged 3 hijacker alerts on Shilajit 28-ct and a Buy Box loss on Creatine 60-ct this month; check those listings.
