LAST 90 DAYS

No review data in Sellerise

Sellerise returned no review records, rating trend or negative reviews for the 14 Reshoevn8r UK products over the last 90 days.

That means the review tracker isn't pulling for this account, not that there were no reviews.

Recommendation

Turn on review tracking for the UK account in Sellerise (or pull Amazon's Customer Reviews report) so the deck can show star rating per line.

Sellerise also shows one hijacker alert this month: check who else is on the listing.
